## Expanded Facility Update!

Our second facility right across the street is coming along! This 30,000 sq. foot expansion will more than double our footprint and will enable us to elevate the care we provide. Our new facility includes:

- 12 exam rooms
- 8 treatment rooms
- A comfort room
- 3 surgery suites
- 3 Tesla MRI
- Community space for events
- Underground parking

This project isn't just about physical growth; it's about enhancing how we care for every pet and their family [Learn more about our capital campaign here!](#)

## New Items Added!
